**Expression of Interest (EOI) For Finalization of Hologram
Specifications**

HP State Electronics Development Corporation Ltd (HPSEDC), was incorporated under the companies Act 1956 in the year 1984. The main objectives and functions of this Corporation include promotion of Computerization in the State (particularly in the State Government Departments and its undertakings), development of software packages, procurement and supply of computer hardware, software and other related electronic products, office automation and medical equipments at reasonable rates. In addition to this the Corporation is expected to give fillip to electronic & IT industry in the State by developing adequate infrastructure.

HPSEDC intends to procure EALs/holograms for sealing the liquor bottles to prevent sale of spurious and duplicate/ illicit liquor in the State thereby augmenting the revenue and ensuring sale of genuine liquor to the common people. The approximate volume of holograms that would be required for 1 year would be approximate 10 Crores in number. These EALs/Holograms will be used by the Department of State Taxes and Excise.

This EOI is published for finalisation of specifications of EALs/Holograms with high security features along with Track and Trace capabilities as per specifications finalized by the Department.
